Review of the Present Tenses and the Simple Past

Simple Present

Use the simple present to talk about permanent actions like habits or routines. We often use frequency expressions such as: *always, usually, often, rarely, never, every day, once a month, on weekends.*

The students usually **write** a test every month.

Present Progressive

Use the present progressive to talk about temporary actions that are happening now. We often use time expressions such as: *right now, now, at the moment.*

The students **are writing** a test at the moment.

Present Perfect

Use the present perfect to talk about actions that have happened at an indefinite time in the past or actions that have happened from the past up to now. We often use time expressions such as: *ever, never, so far, yet.*

The students **haven't written** a test yet.

Simple Past

Use the simple past to talk about actions that were completed in the past. We often use time expressions such as: *yesterday, last week, two days ago, a year ago, in the 19th century, in 2010.*
