- C. Imagine that you are staying in a foreign country. Write an email to a friend about the cultural differences you have experienced. Before you write, you may want to research the local habits, customs, gestures, cuisine, weather, etc.

Each country has its own culture. There are many differences between different countries in culture. Those differences make our world a more colorful and exciting place to live. For example, Beijing has a wealth of traditional culture like Beijing Opera, Chinese painting and calligraphy as well as the old Chinese features Chinese silk and tea. China is a city crowded with tourists from all over the world. Chinese eat with chopsticks not spoons. Drinking tea traditionally, a visitor to a Chinese home is expected to sit down and drink tea while talking. We should respect cultural differences and learn from each other. We must understand the differences in countries' culture to live in peace. We should interact with others of different cultures and respect them.
