

# Mega Goal 2

## MG2.1

### Second Grade

#### Intro

#### 2. Pair Work

Answer the question at the end of each text and discuss. Express your opinion and agree or disagree.

Use phrases from the box.

##### 1. Hard copies, on the other hand, are still available, but for how long?

I think hard copies will not be used any more after 2060 because they have been less used since inventing the eBook.

##### 2. Would you be interested in this type of travel?

I think it's interesting travel to discover new cultural places and get entertainment.

##### 3. Have you seen it?

Yes, I have. I have visited the Makkah Clock Royal Tower and took many memorial photos.

##### 4. What is your view about Cable television?

I think Internet is an amazing achievement which has replaced the Cable television, but many people would like to use Cable television some times.

#### 5. About You

##### 1. How many hours a day do you spend studying during exams?

I usually spend six hours a day.

##### 2. How do you feel at the end of an examination period?

I feel relief and comfortable especially if I do the exam well.

##### 3. Which of the statements below do you agree with? Give reasons.

A. You'll do a better job if you stay up and work through the night.

B. You'll do a better job if you get some sleep and work in the morning.

It's known that the mind is fresh in the morning so, people have better mental health in the morning.

#### 4. What would you advise your friend to do/ not to do when preparing for exams?

I advise my friend to study in a calm weather and not under pressure and eat more vegetables and fruits, I advise them also to memorize in the morning.
