Does the person like game shows?	No	No	No
Why or why not?	It is bad for contestants to make important life decisions on camera within a time frame.	It's a waste of time. Brings out the worst in people.	The situations are boring and unrealistic. The contestants are whiney and annoying.
What does the person like to watch?	Documentaries and films.	Mystery shows	The news

The ideal game show contestant likes speaking in public. He can work with people he has met recently and can control his feelings. He is keen to win but he is also a good loser who doesn't hold grudges. He can take criticism and follow instructions. He is competitive and likes being in front of a camera, a video or strong lights.

I would like to participate in mountain climbing because there are easier and more difficult routes for everyone. I am not very fit but I like walking and hiking.

I don't think I would be interested in participating in rock climbing. It's a very demanding sport that requires fitness, practice and technique.

I would be very keen on cave exploration. I like the feel of caves with their special acoustics, cool water running, bats, stalagmites and stalactites.
