### Reading passage:

Once upon a time there was a poor fisherman called Li. His father Josh was blind and his wife Emma wished a baby. Every day, he went down to the sea to fish. There he stood on the rocks and threw the nets into the icy waters and waited. When he pulled the nets in, he would take any fish back to the market and sell them. One day, he caught a huge fish. **It** had silver scales that glittered in the sunlight, blood-red fins and a golden crown. It was so beautiful that Li stood, amazed, staring at the fish as it thrashed about in the net. Suddenly Li felt guilty. It was so beautiful and surely it must have a family. So, Li scooped it up out of the net and set it free. Li stood watching as the fish swam out to sea. Then, to his amazement. It turned and spoke to him. "Li, you have saved the King of fish, I grant you one wish. Tell me your heart's desire." Li shouted, "**I** wish for my father to see my son in a cradle made of gold". Li became a rich fisherman.
