

Write a list about "Changes in Saudi Arabia" that have been taking place in the last years.

Changes in Saudi Arabia

Saudi Arabia has been changed in the last 10 years .Here are a few examples:

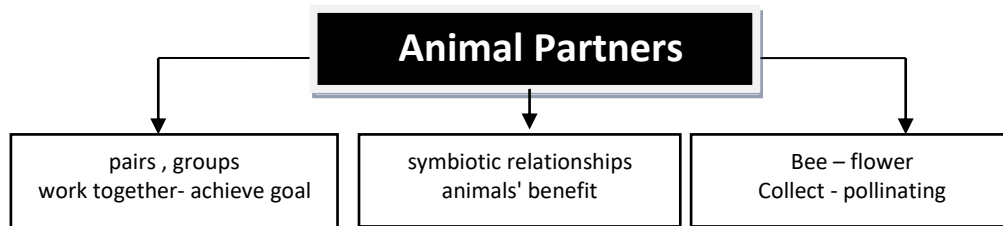

- 1- Women drove the car when many thought it was impossible.
- 2- Public cinema opens in many cities around the country
- 3- Saudi Arabia opened its doors to tourists for the first time in its history in 2019.
- 4- Women are now allowed into stadiums to see the football match.

Write a short paragraph about "Animal Partners" using the notes in the diagram :

Animal partners

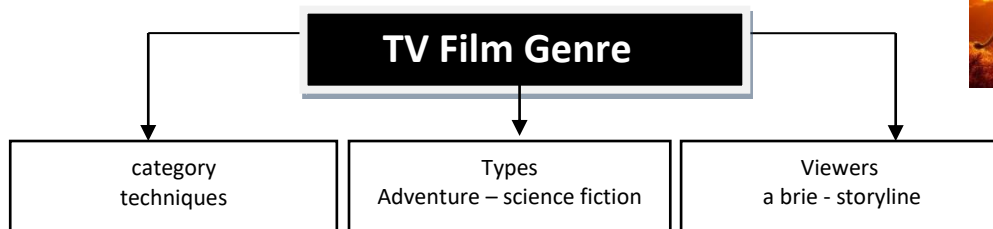

Animal partners are pairs or groups of animals that work together to achieve a common goal. These partnerships can be seen in various forms, such as symbiotic relationships, where both animals benefit from the partnership. For example: bees and flowers, where bees collect nectar from flowers while pollinating them in return. Animal partnerships are essential for survival in the wild.

Write short paragraph about TV Film Genre using the notes in the diagram :

TV Film Genre

Genres is the name given to the category, or group of films that have similar techniques . There are many types of genres. The main film genres are action, adventure, animation , comedy, crime, drama, epics, horror, musicals, science fiction, war, and westerns. Genres gives viewers a brief idea of the storyline of the movie . I like animation and my favorite one is "**Lion King**".
