Question 2 You Do What for a Living?

Take Lily Martinez, for example, she has a job that girls around the world would dream about doing- if they only know about it! Martinez is a doll fashion designer. She remembers, 'As a girls, I would design one-of-a-kind outfits for my dolls'. Her work is very similar to the work of regular fashion designers. She analyses fashion trends, chooses fabrics, draws design sketches, and keeps a close eye on the styles of Paris and New York. Only she does all this to create clothing for 11 inch (29-centimeter) dolls!

1- What is Lily Martinez's job?

.....

2- What are some of her responsibilities?
