Comprehension

Ali is a young man. He lives in Kuwait City. While he was driving his car on his way home last night, he had an accident. He was driving very fast when another car came out of a side street and hit his car. Both of the cars were damaged. Ali and the other driver were badly hurt. Ali's arms were broken and the other driver had a bad cut in his leg. Luckily, another car was following Ali's car. When the accident happened, it stopped. Mr. Nasser and his wife got out of the car. They ran and pulled Ali and the other man out of the damaged cars. They called the ambulance and the police. The ambulance came and the two men were taken to the hospital. Ali thanked Mr. Nasser and his wife.

Read the question. Choose the correct answer:

1. The main idea for this passage could be:
