READING STRATEGY JIGSAW READING

people sometimes ask a question in this way when they are surprised by something they've heard. For example, a person may say things like You did what? They went where?

THE INTRODUCTORY PARAGRAPH

When you were a kid, what did you want to be when you grew up? Perhaps, a doctor, a teacher, or a firefighter? You probably didn't consider becoming a greeting card writer or a snow researcher

(a person who collects ice crystals in snow to analyze the effect of pollution on an area of snowfall). Yet thousands of people around the world earn a living performing unusual jobs that most people have never even heard of.

**What are you going to be when you grow up?
is a question adults commonly ask children in English.**

Question: What jobs does the paragraph mention?
