U8\Composition

*Write a paragraph about **The Last Time When You Were Sick** . Give your opinion about it.

I was sick on vacation last day. We were on a ski trip in the mountains. I was already sick when I arrived. I had a sore throat and a headache. I still went skiing. That was not a good idea. When I finished skiing, I had a fever and an earache. I stayed in bed the rest of the vacation. When you start to feel sick, you shouldn't go skiing! When a friend or a family member is ill, we should support them. Stay at home and rest. Avoid close contact with well people in your house so you won't make them sick. Drink plenty of water. Treat fever and cough with medicines you can buy at the store.
