**I – Comprehension****Read then answer the questions**

My name is Ali. Today is Saturday and I am at home with my family. I am sitting in the kitchen. I am eating breakfast. I usually play football on Saturday mornings, but today it is raining outside. Everyone in my house is busy. My mother is cleaning the kitchen. My sister is talking on her cell phone. My father is washing the car. And my brother is playing video games. Later my whole family is going to my grandmother's house. We always eat dinner there on Saturdays. Then we usually watch TV. Sometimes we argue over what to watch. My father and I like documentaries, but my mother and my sister like detective stories. I like spending time with my family on the weekend.
