Unit 8	Life's Ups and Downs	العنصر بالمنصة
Lesson	Grammar in Action	التهيئة
To revise a previous lesson, let's play Bingo: Ask students to make a 3x3 grid on a piece of paper. Tell them to look at their list of irregular verbs and to complete their grid with nine infinitive verbs. When they have finished, start reading out past forms at random off the list. If the student hears the past form of a verb they have on their grid, they cross it out. The first to cross out all the verbs on the grid calls 'bingo' - and wins.		كتابة رابط صورة
