Have the students stand in a single file line. Hold up the red, yellow, and green construction paper circles or point to pictures or circles on the board, and elicit whether they should stop, wait, or go. If a student cannot do this, he/she must go to the end of the line, listen to the other students, and try again when it is his/her turn. Hold up or point to the circles in a different order for each student. Once they have successfully done this, they should return to their seats and check the box in their books.

التهيئة

The students should say, “Hello! How are you?” to the teacher when they enter the classroom. Chant a **We Can!** chant of your choice that the students have previously learned. Have the students open their books to page 32 and look at the pictures. Play the CD and ask the students to listen, say, and match each picture with the correct cluster. Pause after the first two words to make sure that all the students know what they are supposed to do. If necessary, play the CD again, from the beginning. Encourage students to listen and say the words as they match them. When you get to the end of the first part, i.e. glue, ask students to compare their answers in pairs.
