

Unit 16	Have You Ever.....?	العنصر بالمنصة
Lesson	Listening and Discuss + Pair work	
Using your own photos or photos from magazines, show students a selection of unusual experiences. Elicit information about each photo and gradually elicit what it is that the photos have in common. (They are all unusual experiences.) If suitable photos are not available, simply write on the board a variety of experiences. For example: see a bear, eat scorpions, go skydiving, ride an elephant, be in a car race, meet a celebrity. Find out if anybody in the class has had any of the unusual experiences.
