Reading

Have You Ever...?

SG2 Page 143

Anticipation guide

Reading

Before Reading		Statement	After Reading	
Agree	Disagree		Agree	Disagree
		Camels can withstand the hot, dry climate of the desert.		
		The rider of a camel should wear sunscreen, long sleeves, and a hat to protect himself from the hot sun		
		Horses are known as "ships of the desert."		
		Camels are nervous.
