LIFE

Let me see what I need for dinner.

First, for the appetizer, maybe I'll make a salad. I'll get a few tomatoes, peppers, and onions. I have enough parsley and cucumbers for a salad. I have to get some olive oil. I only have a little left, and I don't have any lemons at all.

Then for the main dish, I'm going to make chicken and rice. I'll need a whole chicken and some garlic. I think I have the other ingredients.

I have nothing for dessert. Maybe I'll bake some date cakes. I'll need some dates for that.

Now, I think that's everything.

Where are they?

What are they probably thinking about?

What appetizer/main dish/dessert do you most often eat?

What is she probably going to make for the appetizer?

What about for the main dish? (chicken and rice)  
And the dessert?
