*Write a paragraph about **how the internet is a useful tool for you**. Give your opinion about it. Use the answers to the questions below:

- 1- How can the internet help you?
- 2- How much time do you spend on the Internet?
3. What is the best thing about the Internet?
- 4.Why do you think the internet is useful?

The internet has made my life become easier. I can use internet to communicate with my friends, to search information and study. I spend three hours a day. I never actually skipped a day from using the internet for e learning and exams. The best thing about the internet is taking lessons on my own from websites and connecting with my teachers online. I think the internet is useful because it is fast and easy to find up to date information and it makes learning interactive and entertaining.
