### Q. 1 (Reading )

#### A) Read the following passage and answer the following questions:

Last night, the police finally caught the well-known hungry burglar in action in the house of TONY Green. The burglar was known in the area for breaking into the houses when the owners were either gone or asleep, and simply eating or taking whatever food he could find. Many victims simply woke up or returned home to find their cupboards and fridges completely empty. That wasn't the case for Tony, however, asleep when heard strange noises coming from the kitchen. He quietly went downstairs and, to his astonishment, saw a chubby man, of about forty, eating his chickens leftovers. He immediately called the police and asked them to come to his house as quickly as possible. The police told him not to panic and said that they would be there in no time. They also told him to stay in his room for safety reasons. I have heard stories of the hungry thief from friends and some neighbors who had been victims of his food raiding, so I was prepared, Tony says. Thankfully, the police arrived before the thief had time to finish my roast chicken. They also found about ten bags of food he was ready to take with him before he left.

People like Tim and Miranda Jones were not so lucky. They returned home once to find one of their front windows broken and their kitchen a mess. They said that it looked like a hurricane had passed through their house. There were scraps of food everywhere and pots and pans scattered on the floor. The police asked us if anything else was missing. We checked to see if our money and jewellery were gone. Fortunately everything was in its place. It was just the food he was after. We asked our neighbors if they had heard or seen but nobody had. The police confirmed the identification of the man by matching his fingerprints with some that had been left on food containers from his previous burglaries. After the burglar confessed, the police asked him why he had committed those crimes. He said that he was a homeless man who was simply hungry and preferred eating home cooked meals to stealing from the supermarkets . he also said that he never stole anything apart from food. He was charged with burglary and can face up to two years in prison.
