Write about Your Most Important Possession.

Write about Your Most Important Belonging.

My most important possession is my cellphone, Samsung Galaxy J2 Prime, which is my strength and my stress reliever. My cellphone is important to me, because I use it to communicate with my friends and family. I use my phone to watch movies or anime because I don't watch television. I also can call my friends. I get nervous when my phone is misplaced, or my friends hide it. Without a phone, my life will not be completed.

Write about Your City

My favorite city is Abha. It is a small city with wonderful trees and parks. It is so cold. There's a famous city "High City" I can visit the Art Street and climb the Souda Mountains. I like its clean air and quietness. I like the hills and the old brown buildings, but I don't like it in winter. People can protect its environment by not throwing trash in its national parks. Because it's a beautiful city. I think we should follow the rules and laws, respect the right of others, be a good neighbor.

### Driving Age

D. Write an essay to argue why the driving age in some countries should be raised to 18 or older. Use your notes from the chart and ideas from this unit.

What is the legal driving age in your country?  
What is the main cause of road accidents?  
Who are more likely to engage in road rage?  
Why are teenagers not responsible drivers?

### Why the Driving Age Should Be Raised

There is an argument that the legal driving age which is 16 years old in some countries, is too low and this causes an unacceptably high level of traffic accidents. Raising the driving age, would ensure young drivers are more experienced and less prone to road rage, which can put other road users at risk. Most teenagers are immature. For this reason, they are not responsible drivers.
