Activity 1: Play a guessing game. Write sentences with the present progressive on slips of paper. For example The man is riding a motorcycle. Three students are sitting in a chair. An old man is waiting for a bus. The sentences should use words that students know. Activity 2: Arrange the class in teams. Give a sentence to a student from Team A. The student draws the action of the sentence on the board for teammates to guess. The student can't talk, only draw. If Team A can't guess, Team B guesses. Teams get points for correctly guessing the sentences		مفردات الدرس
