

Write short paragraph about "characteristics of a good advertisement":

characteristics of a good advertisement

Advertising must be interruptive — that is, it should make you stop thumbing through the newspaper or thinking about your day long enough to read or hear the ads. Advertising must also be credible, unique, and memorable. Like all effective marketing support, it must be built upon a solid positioning strategy

Write short paragraph about (The Gender Divide) :

" The Gender Divide"

The gender divide or gender gap refers to the unfair inequality between men and women in society. Unfortunately, gender divides can still be seen in many different places in society. In job fields, political fields, and even in households, gender inequality is still present. There are major, significant differences between men and women. The differences are different, NOT better, or worse. To get along, you MUST accept, expect, and respect these differences.

Write short paragraph about (Inventions by Mistakes) :

Inventions by Mistakes

Many of the world's greatest inventions have come about by mistake. For example, the microwave was invented when a scientist noticed a candy bar in his pocket had melted after being exposed to radar waves. The pacemaker was created when a doctor accidentally discovered that an electrical charge could regulate heartbeats. These accidental discoveries have led to some of the most important and useful inventions in history.
