

Illustration of a subtraction problem: a basket of 10 red cherries equals an empty basket minus a basket of 10 red cherries. Below the baskets is the equation:  $10 = 0 - 10$ .

Illustration of a subtraction problem: an empty basket equals a basket of 10 red cherries minus a basket of 10 red cherries. Below the baskets is the equation:  $0 = 10 - 10$ .

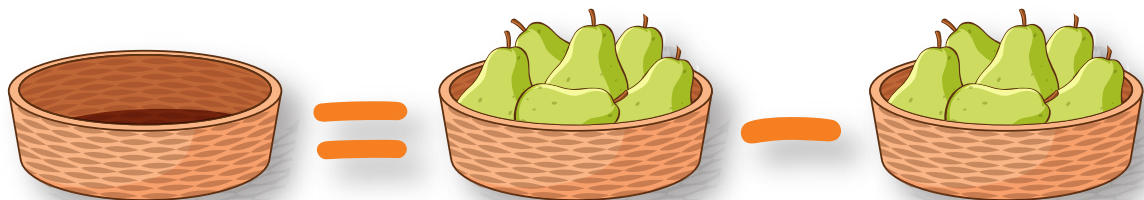

وعند طرح العدد من نفسه  
يكون الناتج صفرًا

عند طرح الصفر من عدد  
يكون الناتج العدد نفسه

$$0 = 0 - 0$$

$$0 = 6 - 6$$

هيا نكمل طرح الصفر  
وطرح الكل
